

# DISTRICT GOVERNOR'S PROGRAM

- Lion at the top - Our Nation Sri Lanka
- The Lions Clubs Logo at center - The organization we belong to
- The Five horizontal lines - Our Global service platform
- The Moonstone - Depicting the immersing of a (sadakada pahana) Leader from Raja rata in our District
- The entwined stems in the border (Liya wela) - Unity and understanding among us

## Vision;

“To Be the Most admirable Lions District in the Lions Club International”

## Mission;

- “Deploy new technology to enhance the effectiveness of Lionism
- Building Lions Image, establishing Lions Community Service Centers
- Adapt Sri Lankan Culture into Lionism to increase membership growth
- Promote and Monitor the activities of the District Global Action Team
- Extension of Specialty Service oriented Lions Clubs to enhance the service capacities of Lions Clubs”

## Theme ;

### **SERVICE PAR EXCELLENCE ADMINISTRATION**

Set the goal for cabinet officers and club officers to improve their lions activities.

Introduce Digital Technology to save the time and money

Increase the membership by introducing new strategies to attract service minded people in the community

**District Administration Team (DAT)** - Coordinating International, Multiple District, District and Club administration activities

**Global Action Team (GAT)** - Dealing with the activities of Service, LCIF, Membership and Marketing & Communication

## Services

- Focuses on International five services platform
- Introduce Human Engineering among the lions to improve the efficiency and effectiveness of the human activities
- Implement Lanka Lions Foundation bound strategies on specialty areas for poverty alleviation

## Environment - We call nature mother

- like a mother she sustains all our lives.
- Let us educate the community to appreciate nature and preserve it .
- We can do this by our exemplary lifestyles .
- We must educate the society on Reduce ,Reuse ,Recycle and Reinvent

## Hunger - Millions live with **hunger** and malnourishment

- Develop income-generating activities
- Promote sustainable farming practices.
- Ensure access to microfinance
- Diabetes

**Diabetes** - is a chronic disease that could occurs in any age - prevention is very important so that more focus on child hood diabetes.

- Promote a safe and supportive environment, That creates a better understanding of diabetes and supports children with the effective lifestyle choices.

## Child Hood Cancer-

- Every TWO minutes in our world a child is diagnosed with cancer.
- 90% of childhood cancer deaths occur in low resource settings
- We must ensure that children receive nourishing meals to increase immunity and REDUCE vulnerability to this deadly disease
- We must conduct awareness programmers for early detection of the disease.
- We must help those affected by childhood cancer to survive through proper administration of medication

**Vision** - We shall continue to be the Knights of the blind.

We shall ;

- Work to improve the quality of life for people who are blind and visually impaired.
- Prevent avoidable blindness by Conducting eye screening programmes, providing spectacles and facilitate for surgeries

**HUMAN ENGINEERING** – The objectives of Human Engineering (Ergonomics) is to apply scientific knowledge about human capabilities and limitations and other characteristics to design of machines, tools, workplaces and physical environment in order to enhance usability, productivity, health, safety and to minimize human error via design.

Under this service activity we train trainers (who have completed lions leadership programs) to promote human engineering among the all sectors in the community.
